HAN UNIVERSITY OF APPLIED SCIENCES **WELCOME!**

This time we have to organize our International Introduction a bit differently than normal. Our journey towards your studies at HAN has taken place partially online. Through our dedicated [Instagram page](#) and our [webpage](#) you're able to follow us and our introduction buddies.

The next exciting part of our International Introduction will take place on campus in the upcoming week. The HAN International Office organizes a welcome meeting where you

can meet our international student association and other international students from different study programs in person!

Please **check your personal mailbox for the invitation**, so you know what time exactly we are expecting you!

Kindly note that these meetings are in addition to the other introduction activities organized by your own study program. Make sure to check what's going on where by clicking on your study program on [this webpage](#).

Please keep in mind to follow the Dutch Corona measures during your stay here in the Netherlands and at HAN:

- > **Stay 1.5 metres away from other people;**
- > **Wash your hands often;**
- > **Cough and sneeze into your elbow;**
- > **Don't shake hands with others;**
- > **Avoid busy places and travel outside peak hours if possible;**
- > **Wear a face mask for your own safety and those of others.**

We'd like to point out the following guideline:

Even if you have been vaccinated, please **test yourself twice a week** with a self-test you can order online for free. Have you tested positive? Then don't come to HAN and get yourself tested at the Public Health Service (in Dutch: GGD). Have you tested negative, but have symptoms that could indicate corona? Stay home and get tested by the GGD. You can **order free self-tests online** until at least 1 September ([zelftestonderwijs.nl](#)).

You can find more information about the measures on the [website of the Dutch government](#). For the measures taken here at HAN, please take a look at the COVID-19 news on the [the website of HAN](#).

If you're experiencing **symptoms** in the (nearby) future, **report this to your study career coach** and **make an appointment for a COVID-19 test** by calling 0800-1202, the phone number of the GGD. Stay home!

INTERNATIONAL OFFICE

Are you planning on visiting us to **ask your questions**?

In the week of the International Introduction you can visit the **International Office front desk in Nijmegen on** the following days and times:

Tuesday and Thursday: 08:30 - 17:00

Monday, Wednesday and Friday: 12:30 - 16:30

From Monday 30 August onwards, the International Office front desk in Nijmegen will be open from **Monday - Friday: 12:30 - 16:30**.

We'd like to point out that it's **mandatory to wear a face mask** at all times when walking around on campus.

GET VACCINATED @HAN_

In our previous newsletter, we showed you how to get vaccinated upon arrival in the Netherlands. Now, HAN also gives you the opportunity to get **vaccinated on campus!**

To control the coronavirus as much and as quickly as possible and to increase our protection, it is important that as many people as possible get vaccinated. Are you not yet vaccinated? The Public Health Service (GGD) offers you the opportunity to get vaccinated at HAN in the weeks to come. It remains your own choice, not an obligation.

You'll receive more information from HAN soon.

Not able to make it to the vaccination on campus? Then you can make use of the **Walk-in vaccination centre** nearby Nijmegen (location **Malden** (Hatertseweg 12a) or **Wijchen** (Havenweg 4)). Here, you can get your first dose. **Immediately and without an appointment.** Don't forget your **face mask**, a **valid ID** and your **BSN number** when you go to a vaccination centre! When you get your first dose you can also make an

appointment for your second dose. Check [this website](#) for more info, other locations and opening hours of the different locations.

If you're unable to get a BSN number, check [this website](#) for terms and conditions to get vaccinated and how to make an appointment without a BSN number.

HAN SERVICES

On our Instagram page and in our previous newsletter we already gave instructions on how to register at city hall and how to open up a Dutch bank account. But also how to set up your HAN account and your HAN e-mail account, and what to do in order to receive your HAN card and how to use it. Let's add the instructions for setting up your HAN WiFi once you are on campus.

EDUROAM HAN WIFI

In order to use Eduroam (HAN WiFi) you need to have your **HAN account set up**.

After setting up your HAN account, please search for Eduroam in your list of WiFi networks on your phone. Log in with your *HAN account* (the 5 letter combination) *plus the extension @han.nl and your password*.

For example: **klmno@han.nl**.

STUDENT VISA

If you haven't done so yet, make sure to **sign up a.s.a.p.** as there are only **limited places available** and the **deadline is Friday, August 27 12:00 hrs.** After this date, we will let you know right away if you have a spot in one of the workshops or not: fingers crossed!

Sign up! →

ERASMUS STUDENT NETWORK

Student life is not complete without an international student organization. At campus Nijmegen you can be part of the activities and committees of the **Erasmus Student Network Nijmegen** (ESN). ESN is ready to make it a great social and educational year for anybody who would like to be involved.

For more information, check our [HAN Incoming International Students Facebook group](#) and follow our [Facebook page](#) while you are at it. And join the main [International Office Instagram page](#)! This page is full of interesting cultural and social content.

We wish you all a **prosperous and succesful** journey here at HAN University of Applied Sciences! 😊

Best regards,

HAN International Office
