

MASTER ENGINEERING SYSTEMS

MODULES AND LECTURE DAYS 2024-2025

Here's the schedule of modules and subjects for the Master Engineering Systems in 2024-2025.

Semester 1: August - January

Monday	Systems Modeling
	Big Data & Small Data
Tuesday	Advanced Vehicle Dynamics
	Reliable Electricity Hubs
Wednesday	Applied Control
	Electives: Guest lectures
Thursday	Innovations in Powertrains
Friday	Mathematics

Semester 2: February - July

Monday	Big Data & Small Data
Tuesday	Advanced Vehicle Dynamics
	Reliable Electricity Hubs
Wednesday	Applied Control
	Hydrogen Technology
	Electives: Guest lectures
Thursday	Intelligent Mobility
	Innovations in Powertrains
	Embedded Control
Friday	Mathematics
